INTERNATIONAL CONFERENCE ON GLOBAL VISIONS: A PERSPECTIVE ON THE G20 SUMMIT 2023

16TH-17TH FEBRUARY 2024

ABOUT SHGC

Sant Hirdaram Girls College, Bhopal, an institution of academic excellence, established in 2006, that has always strived to, and successfully maintained its place as one of the finest within the Barkatullah University of Bhopal. We at SHGC believe in providing for our students an environment rich in knowledge and supportive of their extracurricular interests. The college encourages a quest for knowledge that is rooted in an ethical understanding of the society that we inhabit and this enthusiasm for learning along with a desire to evolve into socially responsible beings is reflected not only in the academic atmosphere but also visible in the field of extra-curricular activity

Our tradition of excellence in NSS, NCC, Sports, Cultural, Life Skills, Art and Music only adds to the richness of the academic fabric of the college. You will encounter the unique combination of social activism, creativity and learning in every discipline and every corner of this institution. Over the years, the college has built up an impressive array of academic facilities such as a fully automated Library, Modern IT Labs, World class equipped Science Laboratories and an active Quality Assurance & Placement Cell. Our endeavour is to make individuals more mature, responsible and socially aware.

ABOUT THE CONFERENCE

The Conference on Global Visions serves as an intellectual crucible, drawing together luminaries, thought leaders, policymakers, and scholars from diverse spheres to dissect, deliberate, and discern the nuances embedded within the summit's resolutions. It seeks not only to decipher the communiqué and declarations but also to unearth the undercurrents, implications, and potential ramifications of the G20 decisions on the world stage.

Throughout the discourse within these hallowed halls, the conference endeavors to transcend the surface discussions and traverse the depths of nuanced understanding. It seeks to encapsulate the kaleidoscope of perspectives—regional, economic, environmental, and socio-cultural—threaded into the fabric of global governance. Moreover, it endeavors to forge actionable pathways, synthesizing these varied viewpoints into a tapestry of pragmatic solutions and forward-looking strategies.

The imperatives of the present era demand concerted efforts, unity in diversity, and an unwavering commitment to navigate the uncharted waters of an ever-complex global landscape. As we convene in this symposium of intellects and visions, let us embark on a collective odyssey, guided by the beacon of informed insights and propelled by the collective resolve to shape a more equitable, sustainable, and resilient world.

SIGNIFICANCE OF CONFERENCE

The significance of the International Conference on Global Visions: A Perspective on the G20 Summit 2023 lies in its role as a platform for comprehensive analysis, collaboration, and actionable discourse following the G20 Summit. Here are key points highlighting its significance:

- To provide a comprehensive and insightful analysis of the G20 Summit 2023, assessing its significance in the context of global governance, economic development, and international cooperation.
- To gather diverse perspectives from scholars, experts, and thought leaders on the achievements, challenges, and contributions of the G20 Summit to the global community.
- To generate informed policy recommendations and proposals that can contribute to the G20's efforts in addressing pressing global challenges, including sustainable development, climate change, and global health.
- To foster networking and collaboration among participants, encouraging interdisciplinary discussions and partnerships that can lead to innovative solutions and policy recommendations.
- To explore opportunities for collaboration with non-member nations and international organizations to expand the impact of the G20 Summit on a global scale.
- To raise awareness among the public about the G20 Summit's role in shaping the future of our interconnected world and its impact on everyday lives.
