**Memorandum of Understanding**  
**Between**  
**Department of Biotechnology, Sant Hirdaram Girls College, Bhopal**  
**And**  
**Blossom Pharma Biotech Institute & Research Centre, Bhopal**

Sant Hirdaram Girls College, Bhopal and Blossom Pharma Biotech Institute & Research Centre, Bhopal recognize their strengths in education and research & education in one or more disciplines of Science, and their mutual interest in engaging themselves in academic cooperation. Therefore both institutions agree to establish a Program for academic cooperation in the areas of life sciences, and in accordance with the terms and conditions set forth in this memorandum of understanding (MoU).

### Objectives

The goal is to foster collaboration, provide opportunity for research experience, and to facilitate advancement of knowledge on the basis of best effort, mutual benefit, and frequent interactions. SHGC and Blossom Pharma Biotech Institute & Research Centre, Bhopal agree:

- a) To provide trainings and internships to the SHGC students of Undergraduate and postgraduate level of Life science during academic sessions with nominal and negotiable fee structure.
- b) To provide Blossom Pharma a scope of guest lecture at SHGC to exchange information on teaching, learning material and other literature relevant to life sciences.
- c) To jointly organize workshops on topics of mutual interest and to invite other students to participate therein.

The areas of cooperation may include, subject to mutual consent, any desirable and feasible activity that would further the goals of each institution. Such interaction may include cooperation in a variety of joint academic and educational activities such as:

- Students training and dissertation program in every academic session.
- Placement of students in paid internships and co-ops, when possible;
- Joint workshops.

- Team taught courses, including online courses
- Visits by faculty, professional staff, and students.

The parties anticipate that a number of these initiatives will occur during the period of this MOU. However, neither party is obligated to agree to any minimum number of activities, nor is this MOU intended to preclude either party from entering into similar agreements with other institutions.

This MOU shall be identified as the parent document of any program agreement executed between the parties. Further agreements concerning any program shall provide details concerning the specific commitments made by each party and shall not become effective until they have been reduced to writing, executed by the duly authorized representatives of the parties.

#### **Tenure and Termination**

This MoU will take effect from the date it is signed by representatives of the two institutions. It will remain valid for three years, and may be continued thereafter after suitable review and agreement. Either institution may terminate the MoU by giving written notice to the other institution six months in advance. Once terminated, neither SHGC nor Blossom Pharma will be responsible for any losses, financial or otherwise, which the other institutions may suffer. However, SHGC and Blossom Pharma will ensure that all activities in progress are allowed to complete successfully.
