Admission and Brand Building Cell

Choosing a career is an important task, but it may also be a difficult one. It may not be easy to decide. What type of job will be the best fit, and since career counselling helps people assess their skills, needs and desires in order to find a career that works for them, this type of counselling is considered to be an important step to take before deciding on a permanent career.

Researching a wide variety of potential careers may be overwhelming, and information on the skill sets and education needed for a particular position may be a difficult one to find.

On the similar grounds the college has planned career guidance and expert counselling desk in various cities in the state like Harda, Hoshangabad, Budhni and many more.

S.No.	Date	Area	Venue
1	08-06-2022	Budhni Desk	Oriental Public Higher Secondary School
2	11-06-2022	Hoshangabad Desk	Sunrise School of Excellence
3	18-06-2022	Itarsi Desk	Fitness Junction front of Baverjee Hospital

The Counselling session/desk highlighted the career prospects in different streams according to NEP. The subject experts from different streams of college counsel the students of pass out XII Class and pass out under graduates.

We guide them regarding different scholarships provided by center and state levels. Faculties also give guidance as to selection of the courses which exists as options available to students.

The students from various school visits college campus from time to time where they get to know different aspects related to their career like NCC, NSS, Committees operational at college level, libraries and canteen.

The Alumni meet is organized every year at a grand level to assist in the Brand Building activity as they are Brand ambassadors of the institute.

Students are offered a learning experience with a difference. Great emphasis is laid on the holistic development of each and every student, shaping their future in a way which gives them the right beginning to extract the most from the individual's exposure provided to them and guided in a way which makes them ready for the future avenues.

CA Foundation Examinations, 2022
