

SANT HIRDARAM GIRLS COLLEGE,  
BHOPAL

# Monthly Report July 2024

## Monday to Wednesday, 8<sup>th</sup> to 10<sup>th</sup> July, 2024 Three-Day Orientation Program Organized

Sant Hirdaram Girls College, Bhopal recently hosted a comprehensive three-day orientation program for newly admitted students. The primary objective of this program was to acclimatize the freshers to the academic environment, familiarize them with the college's diverse departments, and introduce them to the various support systems available for their academic and personal growth.

Dr. Dalima Parwani, the Principal, extended a warm welcome to the new students, emphasizing the importance of discipline and commitment as essential assets in a student's life. She highlighted that cultivating strong communication skills, maintaining a positive mindset, and focusing on career placements are pivotal in achieving long-term success.

During the orientation, students had the opportunity to learn about the various departments and faculties within the college. In-charges and coordinators from different committees and cells provided detailed explanations of their roles and functions. These included the Cultural Committee, Literary Committee, Training and Placement Cell, UGC/SWAYAM Cell, Institution Innovation Council (IIC) and Entrepreneurship Cell (E-cell), Grievance Redressal Cell, Research Committee, NCC, NSS, Sports Committee, and many more. Each committee and cell play a crucial role in enriching the students' educational experience and ensuring a holistic development.

This orientation program not only provided a platform for new students to integrate smoothly into college life but also underscored the college's commitment to fostering an environment of academic excellence and personal growth.

## SHGC Celebrates World Population Day

11<sup>th</sup> July 2024 – In a unique celebration of World Population Day, Sant Hirdaram Girls College, Bhopal, showcased its commitment to sustainability and creativity by organizing an Eco-friendly Recycled DIY Projects Competition. This event was a joint effort by the National Service Scheme (NSS), the Entrepreneurship Cell (E-Cell), and the Institution's Innovation Council (IIC). Also, an Intra-collegiate Poetry, Story and Essay Writing Competitions on the topic Effects of Population growth on Communities, Environment and Personal Lives was organized.

The competition aimed to foster an awareness of sustainability among students while encouraging innovative and practical applications of recycled materials. Participants enthusiastically engaged in various categories including upcycled furniture, recycled fabric crafts, glass bottle decorations, cardboard crafts, compost bins, tin can projects, nature-inspired crafts, and bottle cap magnets, among many others.

The event was graced by the presence of Dr. Dalima Parwani, the Principal of Sant Hirdaram Girls College, who congratulated all the participants for their creativity and dedication. She further remarked that this competition not only highlights the importance of recycling and sustainability but also demonstrates the remarkable creativity and ingenuity of the students. Their efforts are a testament to the positive impact young minds can have on our environment.

The winners of the DIY competition were honored with certificates in recognition of their outstanding contributions. Yusra Khan stood I, Zainab Baig II and Mahira in III position.

The winners of the Essay competitions were Priyanshi Sharma I Prize, Anshika Panthi II Prize and Ananya Nair III Prize. In Short Story Writing Competition Ms. Aadrika Dubey won the Prize and in Poetry Writing Competition Zikra Faheen I Prize and Maseera Khan II Prize.

## **Induction Program Commences at SHGC**

**Bhopal, 15<sup>th</sup> July 2024, Sant Hirdaram Girls College has inaugurated a comprehensive fifteen-day Induction Program for its BCA and BBA first-year students, in alignment with the guidelines set by the All-India Council for Technical Education (AICTE). This program, which began on Monday, aims to ease the transition of new students into college life, fostering a supportive and enriching environment.**

**The primary objective of this induction program is to provide a holistic introduction to the academic and extracurricular aspects of college life, thereby promoting an all-rounded development of students. It seeks to instill a sense of discipline, encourage personal growth, and prepare students for the various challenges and opportunities that lie ahead.**

**Speaking at the inaugural session Principal Dr. Dalima Parwani emphasized the importance of discipline in both academic and personal spheres. She remarked that discipline is first imposed and later it becomes a habit. It is essential for achieving success and maintaining balance in life. She also urged the students to embark on a journey of self-discovery, encouraging them to find the truth within their inner selves.**

**Mr. Manish Kane, a distinguished educationist and enthusiast in Data Science, HR, and Marketing from Pathfinder Education Services Pvt. Ltd, served as the Resource Person for the event. In his motivational address, he encouraged the students to cultivate lifelong relationships, adapt to new surroundings, and step out of their comfort zones. He stressed the importance of taking risks in life and identifying the stop loss in various situations to minimize potential setbacks.**

**Over the next fifteen days, the induction program will feature a series of engaging sessions designed to enhance various skills and competencies. These sessions will cover a wide range of topics, including Personality Grooming, Presentation Skills, Power Dressing, Entrepreneurial Skills, English Communication, Interpersonal Excellence, Personality Development, Financial Literacy, Digital Literacy, Nutrition and Wellness, Corporate Expectations, and the Internet of Things (IoT), among others.**

## Plantation Drive Held at SHGC

On Tuesday, July 16<sup>th</sup>, 2024, the Nature's Club of Sant Hirdaram Girls College, Bhopal, in collaboration with the NSS Unit and the Literary Committee, organized a Plantation Drive in celebration of Ek Ped Maa Ke Naam campaign. The drive was themed Let's Participate to Make This World Greener, emphasizing the importance of environmental stewardship.

The primary aim of this initiative was to encourage community participation in efforts to enhance environmental sustainability and to promote a greener world. Principal Dr. Dalima Parwani emphasized the importance of long-term commitment to environmental stewardship by urging students to not only plant saplings but also to nurture and care for them throughout their three-year tenure at the college. She highlighted that this continuous care would ensure the growth and survival of the plants, thereby contributing to a greener and healthier campus environment.

Additionally, an online Quiz Competition was held in conjunction with the event organized by the UGC. The results of this competition are scheduled to be announced on August 31<sup>st</sup>, 2024.

This initiative not only underscored the college's commitment to environmental causes but also provided an educational platform for students to engage actively in ecological preservation.

**Friday & Saturday, 19<sup>th</sup> & 20<sup>th</sup> July, 2024**  
**Two-Day Workshop organized on Mendelian Genetics**

From July 19<sup>th</sup> to 20<sup>th</sup>, 2024, the Regional Science Centre hosted an engaging and educational workshop on Mendelian Genetics. This event aimed to provide participants with a comprehensive understanding of genetic principles, inheritance patterns, and the profound impact of genetics on our daily lives.

Among the attendees were two dedicated students from Sant Hirdaram Girls College: Ms. Noor-ul-huda, a Third-year BSc student, and Ms. Kritika Kushwaha, a First-year BSc student. Their participation in the workshop was marked by enthusiasm and a keen interest in the field of genetics.

The workshop offered a blend of theoretical knowledge and practical learning experiences. Participants delved into the foundational concepts of Mendelian genetics, exploring the pioneering work of Gregor Mendel and the laws of inheritance he established. Hands-on activities and interactive sessions enabled students to observe genetic principles in action, enhancing their comprehension and retention of the material.

In addition to the scientific aspects, the workshop highlighted the relevance of genetics in everyday life. Topics such as genetic disorders, personalized medicine, and agricultural biotechnology were discussed, showcasing the diverse applications of genetic research and its significance in various fields.

The workshop not only equipped students with valuable knowledge but also inspired them to pursue further studies and careers in genetics and related disciplines.

## **Dr. Dalima Parwani Nominated as Subject Expert for Code 28 Interviews at Technocrats Institute of Technology, Bhopal**

**Dr. Dalima Parwani, Principal, has been nominated as a subject expert for Code 28 Interviews at Technocrats Institute of Technology in Bhopal. This prestigious event will take place on 20<sup>th</sup> July 2024 at 11:00 am. Dr. Parwani's selection as a subject expert highlights her significant contributions to the field and her ongoing commitment to advancing technological education and research. Her participation is expected to bring invaluable insights and expertise to the interview process, benefiting both the candidates and the institution.**

## Sunday & Monday, 21<sup>st</sup> & 22<sup>nd</sup> July, 2024 Two Days Guru Poornima Celebrated

On Sunday and Monday, 21<sup>st</sup> and 22<sup>nd</sup> July 2024, the NSS unit, the Students Union and the Literary Committee of Sant Hirdaram Girls College celebrated Guru Poornima with great zeal and fervor. The objective behind celebrating Guru Poornima was to acknowledge and honor the invaluable contributions of teachers and mentors in shaping the lives of students.

The day 1 marked the inspiring speech by Ms. Princi Pahlwani and the poetry recital by Ms. Kanak Vishnoi. Followed by a session on Guru, Grace and Gratitude by Dr. Madhuri Singhal, Prof of Chemistry in Govt. M. V. M. and a teacher of Art of Living. She explained the meaning of 3G's in life. She also highlighted the various aspects of chanting and meditation.

Day 2 commenced with a captivating skit on The Importance of Gurus in life which was performed by the newly admitted first-year students. The skit highlighted the profound impact that teachers have on their students' lives and underscored the importance of expressing gratitude towards them.

An Essay Writing Competition was also organized on the topic The Gurukul System in Ancient Times and its Impact on Indian Culture. Students participated in this competition with full zeal and fervor. A speech by Ms. Masira Khan was also delivered on the occasion.

Dr. Dalima Parwani, the esteemed Principal of the college, addressed the gathering and highlighted the significance of gurus in life. She emphasized the pivotal role that teachers play in nurturing and guiding students, and how their wisdom and knowledge shape the future. She further underscored that our mother is our first guru and that we should always heed her advice and never disregard her words. She also noted that anyone can be a guru, including students, because we learn a great deal from them.

Wednesday, 24<sup>th</sup> July, 2024

## On Income Tax Day Expert Session Organized

On Wednesday, 24<sup>th</sup> July 2024, the Department of Commerce at Sant Hirdaram Girls College organized a Special Session on Income Tax Day on the topic Income Tax in India. Dr. (C.A.) Anadi Mishra, Reader in Finance at RCVP Noronha Academy of Administration and Management, Bhopal, was present as the subject expert for the session. The primary objective of this event was to raise awareness among students about the contributions of their families as taxpayers. The event was graced by Dr. Dalima Parwani, Principal, Prof. Akanksha Arora, Head, Department of Commerce, all the faculty members and a large number of students.

Expressing her happiness over this event, Dr. Dalima Parwani, Principal, said that this day highlights the historical development of tax administration in the country and the reforms aimed at simplifying the process for taxpayers. It is essential to be aware of the progress in tax administration and the proactive steps to be taken to address the challenges.

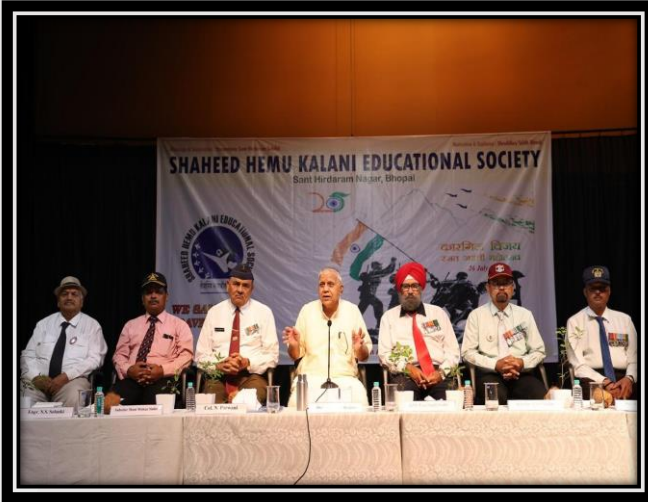

Subject Expert Dr. (C.A.) Anadi Mishra explained that income tax is a government tax levied on the income earned by individuals during a financial year. He discussed in detail the background, importance, and current scenario of income tax on salaries, income from house property, income from business or profession, capital gains, and income from other sources. While highlighting the changes in the income tax slabs in the Budget 2024-25, he also mentioned that the country's tax administration has come a long way since its inception. The current sophisticated, technology-driven tax system is a testament to the country's progress. He also organized a quiz session on income tax for the students at the end.

Friday, 26<sup>th</sup> July, 2024

## SHKES Celebrated Silver Jubilee of Glorious Kargil Victory

On Friday, July 26, 2024, Schools and Colleges run by the Shaheed Hemu Kalani Educational Society organized the Kargil Victory Silver Jubilee celebration in the pious presence of the Institution's President, Param Shraddhey Siddh Bhauji.

The event featured Chief Guest or Orator Col. Narayan Parwani, along with Indian Army Subedar Major Teja Singh Sodhi, Subedar V Y Singh, Subedar Manimohan Sinha, Havaldar S N Deshmukh, Engineer N S Solanki, Vice President of SHKES Shri Hero Gyanchandani, Secretary Shri Ghanshyam Bulchandani, Shri L C Janyani, Shri Thawar Varlani, Dr. Dalima Parwani, Principal, Sant Hirdram Girls College, Heads of various institutions, and a large number of students.

Shraddhey Shri Siddh Bhauji expressed gratitude towards the Indian Army and soldiers. He emphasized that while the Kargil War was challenging, our Army demonstrated bravery, courage, and valor to achieve victory. He hailed Col. Narayan Parwani as an ideal figure who continuously guides and inspires the youth to build their future in the Indian Army. He also highlighted the immense opportunities for girls in defence services and urged the students to recognize their strengths and contribute to national service through defence.

Chief Guest and Key-note speaker Colonel Narayan Parwani stated that the program holds special significance.

He recounted the tales of bravery, valor, and sacrifice of Indian soldiers in the Kargil Victory Day celebration. He detailed the exceptional contributions of soldiers during Operation Vijay, Operation Safed Sagar, and Operation Talwar, emphasizing the challenges of reaching the higher peaks of Kargil and the soldiers' indomitable spirit and bravery. He mentioned that it was the first time in the history of Indian wars that the public received direct war updates through television, uniting the entire nation in the tough times.

Colonel Parwani showcased beautiful power-point presentation through various videos highlighting the courage and sacrifices of soldiers in the Kargil War.

He stressed that such patriotic events should be regularly organized by the institution and that everyone should remember and pay tribute to the martyrs of Kargil on this day. He also noted the pride in the presence of Hon'ble Prime Minister Shri Narendra Modi at the Kargil War Memorial to honour the martyrs on this occasion.

**Monday, 29<sup>th</sup> July, 2024**

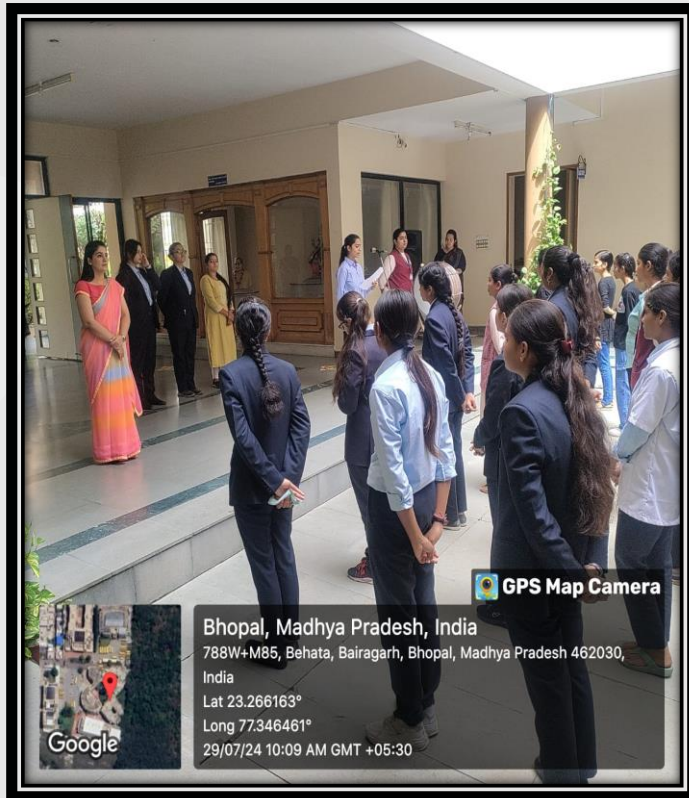

## **Tiger Day Observed by the Department of Zoology**

**On July 29, 2024, the Department of Zoology celebrated Tiger Day with great enthusiasm and dedication to raising awareness about tiger conservation. The event featured an array of informative sessions and activities aimed at highlighting the critical need for protecting these majestic creatures and their habitats.**

**Ms. Manisha Bhagwani, a first-year BSc Biotechnology student, delivered an insightful presentation on the importance of tiger conservation. She emphasized the ecological significance of tigers as apex predators and their role in maintaining the balance of ecosystems. Ms. Bhagwani highlighted the alarming decline in tiger populations due to poaching, habitat loss, and human-wildlife conflict, urging everyone to contribute to conservation efforts.**

**Dr. Madhavi Gaur, the esteemed Head of the Department of Zoology, addressed the gathering, underscoring the department's commitment to wildlife conservation. Dr. Gaur spoke about the various initiatives and research projects undertaken by the department to study and protect tiger populations. She also emphasized the importance of community involvement and awareness in ensuring the survival of these iconic animals.**

**The event concluded with a pledge by students and faculty to support tiger conservation through sustainable practices, advocacy, and continued research.**

Wednesday, 31<sup>st</sup> July, 2024

## SHGC Concludes Enriching Fifteen-Day Induction Program for First-Year Students

From July 15<sup>th</sup> to July 31<sup>st</sup>, 2024, Sant Hirdaram Girls College organized a comprehensive Induction Program for first-year BBA and BCA students, following the directives of AICTE. The program aimed to seamlessly transition students into their academic journey, fostering personal and professional growth.

The Induction Program commenced with an inspiring inaugural session by Mr. Manish Kane. Over the course of fifteen days, students participated in a series of enriching sessions covering diverse topics such as Personality Development and Leadership Qualities by Ms. Fatima Khan, Trainer, GTT Foundation, Fintech by CA Nikhil Nainani, Power Dressing by Ms. Myraa Keswani, How to Become an Entrepreneur by Ms. Akshi Singh, English Communication by Ms. Poorva Batra, University of Durham, Health and Wellness by Prof. Vibha Khare, Food and Nutrition Department, SHGC. ## Dr. Dalima Parwani Publishes Groundbreaking Book on Artificial Intelligence

Dr. Dalima Parwani has recently published a significant book titled *Essence of Artificial Intelligence*, adding a valuable resource to the AI and technology fields. The book is a collaborative effort with contributions from esteemed co-authors Juthuka Arunadevi of Vignan's Institute of Information Technology in Duvvada, Dr. M. Ramchandran from Kaveripattinam, Krishnagiri in Tamil Nadu, and Dr. Tripti Sharma of Rungta College of Engineering & Technology, Bhilai.

Published by REST Publishers, India, *Essence of Artificial Intelligence* delves deep into the principles and applications of AI, making it a must-read for students, researchers, and professionals in the field. The authors bring a wealth of knowledge and experience from their respective backgrounds, ensuring the book is both comprehensive and insightful.

Juthuka Arunadevi contributes her expertise from Vignan's Institute of IT, providing a strong foundation in the theoretical aspects of AI. Dr. M. Ramchandran offers practical perspectives and real-world applications, drawing from his extensive work in Krishnagiri, Tamil Nadu. Dr. Tripti Sharma adds her specialized knowledge from Rungta College, focusing on the integration of AI in engineering and technology.

The publication by REST Publishers is a testament to the collaborative effort and dedication of these scholars to advance the understanding and utilization of artificial intelligence. *Essence of Artificial Intelligence* is poised to become an essential resource for anyone looking to deepen their knowledge of this transformative field.
