It is with the blessings of Sant Shiromani Hirdaram Sahibji, incessant guidance and motivation of Shradhhey Siddh Bhauji that the education imparted to students is best for the cognitive development as it provides spiritual as well as value-based education with educational excellence. Under the tremendous mentoring of Shri Hero Gyanchandani, Vice-President SHKES and Shri A.C Sathwani, Secretary SHKES that the college enhances meritocracy by rewarding ability and effort regardless of social background and contributes towards a path of upward social mobility. The institution is having the finest infrastructure and inculcating a sense of self-respect, self-reliance and nationalism in the minds of the students through the plethora of activities like patriotic plays, academic insights and spiritual sessions etc. The emphasis is laid on the holistic development of the students. Apart from the regular curriculum the college is dedicated towards their upskilling by offering skill based intensive training modules, capsule courses, certificate courses, personality grooming sessions, mock-interview conduction, group discussions, establishing entrepreneurial skill, promoting start-ups, robotics and AI training programs, preparation for government examinations to cater all the domains for their career establishments and placements. The college has catered to the zero-day placements of the students with a splendid placement percentage of their graduates and post-graduates. It is because of this type of atmosphere provided to the students that they have been able to excel and showcase their talent in each and every aspect.

Dr. Dalima Parwani, Principal congratulated the students and various Departments for their accomplishments and said that it is a matter of pride for the entire SHGC family that students every year outshine in the merit list, it is due to the immense efforts put in by the institution in the field of academic excellence and student centric approach.

## New Edition of SHGC Journal

On 8<sup>th</sup> April, 2023, Saturday with the blessings of Shradhhey Siddh Bhauji, the Research Committee has put in their untiring efforts to reach to a new milestone in this never ending yet stimulating journey of research and innovation. The committee is elated to share that the 3<sup>rd</sup> edition of **SHGC Journal of Recent Research in Science and Humanities** has been published which is a high -quality peer reviewed annual journal. It includes research articles, original articles, review articles, case studies and many more.

Dr. Dalima Parwani, Principal said that Sant Hirdaram Girls College is committed to inculcate and nurture research and development spirit in all its faculty members and students at various levels and they actively contribute by providing guidance for ongoing Ph.D. research, research publications in quality journals, patents, writing books & book chapters, attending and presenting research papers in National and International Conferences, Seminars, Workshops and Orientation Programs.

Dr. Madhavi Gaur, Convener, Research Committee anticipate that SHGC Journal would be recognized as the leading journal in all its aspects.

## Felicitation of students by Traffic Police, Bhopal and NGO Kunjal Welfare Society

On 29<sup>th</sup> April 2023, Saturday Prize Distribution Ceremony was organized by Literary Committee in joint association with Traffic Police, Bhopal and NGO Kunjal Welfare Society for the Essay Writing Competition on the topic Role of public transport in safe and smooth traffic. The objective behind organizing this essay writing competition was to encourage and enhance the critical writing skills of the students which also helps them in systemizing their thoughts and improving communication skills.

Dr. Dalima Parwani, Principal congratulated the winners and the participants of the competition and said that it provides an opportunity to voice their ideas. She further added that the pen is mightier than sword and essay writing is a very sensitive form of self-expression. It is a harmonious blending of thoughts and expressions.

27 students from different streams participated with full zeal and enthusiasm. The medium of expression was Hindi and English. The essay was judged on their content, organization, relevance to the theme, and novelty of ideas. Reading the essays was an enriching experience for all the jury members.

Ms. Pragya Gupta secured first position, Ms. Deepika Inda, second position and third position was bestowed to Ms. Pooja Vishwakarma. Prizes were given to the winners and certificates were handed over to all the participants.

Dr. Neha Gupta, Coordinator of Literary Committee expressed her gratitude towards the Principal, DCP Traffic Police, Bhopal, NGO Kunjal Welfare Society, Management and students for successfully conducting the competition and prize distribution. She laid emphasis on organizing such competitions as they encourage the youth to recognize their ownership and responsibility as they are the creators of the future policy making and by providing them a choice to express their views on the type of World they wish to create.

# **Final Practical Examinations Barkatullah University, Bhopal**

The Final Practical Examinations for UG III Year were conducted whereby the External Examiners from Bhopal and adjacent areas came for the Viva-Voce. The examiners appreciated the performance of the students and the working of the Departments and College.

## Admission Drive for the session 2023-24

Home visits can establish positive contact and communication with school students and their respective families that help to enhance the social, personal and emotional development of all learners. Looking upon such need and to build good relations with the schools' students, home visits were organized by the admission team of the college.

All faculties of the college are conducting home visits of class XII students on regular basis. The visit should focus on building a relationship, extending support, actively listening to students and their parents' concerns and insights.

During the visit, students were briefed about the various facilities and courses offered by the college. Faculties introduced them to various courses of science, commerce and Computer Science as the basics and then they explained them the sea of opportunities in the outer world. They also encouraged them on choosing the field they are interested in rather than allowing somebody else to govern it.

They were informed about how to plan their career after 12th class. They were also briefed that "How choosing the correct college is the key to fulfill the dreams".

The various areas of Bhopal are covered like Gandhi Nagar, Bairagarh, DIG, Ashoka Garden, Ayodhya Bypass, Old City, Nehru Nagar, Kolar, Lalghati etc. other than Bhopal cities/towns/villages are visit like Sehore, Kurawar, Mugaliya Hat, Kurana, Hoshangabad, Vidisha, Kala Pipal, Itarsi, Jarkheda, Ashta, etc. Approximately 400-450 home visits were conducted.
