Monthly Report
August 2022

Tuesday & Wednesday, 2nd & 3rd August, 2022

International Virtual Conference organized by IQAC

On 2nd & 3rd August, 2022, two days International Virtual Conference was organized by IQAC, Sant Hirdaram Girls College, Bhopal in association with Research Foundation of India on “*Strategies for Strengthening Industry Academia Linkage: Practicability and Implications*”. The objective behind organizing this conference is to unravel the novelty of thoughts amidst a plethora of opinions and connect and communicate with the academic and industry experts to bridge the gap between industry and academics.

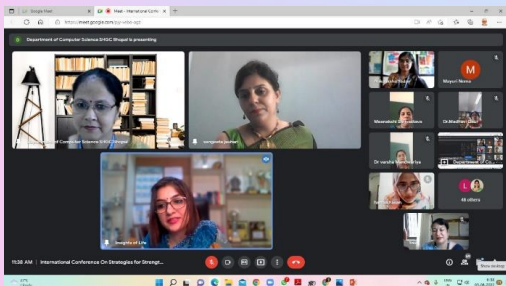

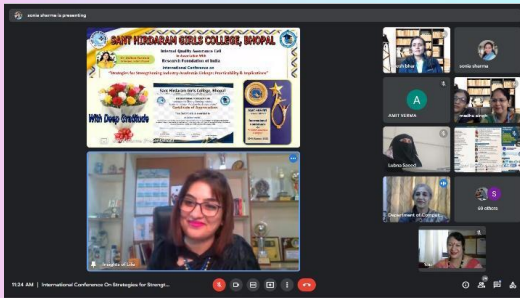

The conference started with inaugural session followed by two technical sessions which were chaired by Dr. Dipika Agrahar, Principal Scientists, Central Institute of Agricultural Engineering, Bhopal and Prof. Sangeeta Jauhari, Dean, Faculty of Humanities & Liberal Arts, RNTU. The convener Dr. Gunjan Shukla in the inaugural session gave an overview about the conference and Research Foundation of India to all the delegates, esteemed guests and the participants.

The Director of the Institute Shri Hero Gyanchandani ji extended his best wishes to IQAC members and SHGC staff. Dr. Dalima Parwani, Principal SHGC gave red carpet welcome to all the dignitaries, renowned speakers, faculties and participants. She said that these types of occasion in Higher Education Institutions is a relentless effort towards ensuring equal opportunities for all to bridge the gap between academia and industry. She further elaborated on technology, innovation, industrial training, knowledge based economic management and skill based human resources.

Dr. Saurabh Jain, Dr. Ashok Kumar CMD and Dr. Ajay Jain from Research Foundation of India addressed the participants emphasizing the importance of Industry Academia Linkage. Our International renowned guest speakers of conference were Dr. Khomosto Mashalane from South Africa, Dr. Gina. B Alcoriza from Philippines, Dr. Rudra P.D. Ghimire from Nepal and National Key note Speakers were Dr. Aditi Sharma, Dr. Pratik Rajan Mungekar, Dr. Sudhkar Umale, Dr. Soumi Datta, Er. Sonesh Bhardwaj, Elizaveta Zarubina, Russia, Ms. Daisy M Galgana, Philippines, Dr. Kalyana Chakravarthi Thirunagari, and Dr. Mousami Datta. Our Renowned Speakers shared the experience and expertise between institution and industry for mutual benefits. They emphasized that there is still a structural gap in the way of knowledge which is created in Academia and Industry and this needs to be bridged. They gave many fruitful examples for filling up this gap.

The conference brought together the Educationalists, Academicians and the Research Scholars from eminent institutions. The participants presented their papers enthusiastically which would be published in recognized journals.

The conference was very well coordinated by IQAC team and RFI officials. Prof. Shazia Khan, Organizing Secretary of the Conference presented the report of the conference. Dr. Suneela Choubhe, Convener of the Conference gave vote of thanks to all the Guest Speakers, SHGC management members, participants, faculty members of SHGC and technical supporting Team.

World Breastfeeding Week

On 4th August 2022, Thursday, Department of Clinical Nutrition, NSS and Women Cell had organized World Breastfeeding Week in Sant Hirdaram Girls College, Bhopal. The objective behind organizing the week is to disseminate awareness which aims to inform, anchor, and galvanize action and numerous benefits of breastfeeding. The theme of this year's World Breastfeeding Week is Step up for Breastfeeding: Educate and Support. The Resource Person was Shri Mridul Malviya, Project Officer, Women and child welfare Development of Madhya Pradesh, Bhopal

On the occasion Dr Dalima Parwani, Principal said that to remove the barriers of breastfeeding, we can all become a change catalyst and be part of the movement to help support a mother. She further added that we as ambassadors should play a vital role in protection, promotion and support of breastfeeding and its related issues.

The subject experts, Shri Malviya highlighted on the benefits of breastfeeding where he enumerated and encouraged better perinatal health, it prevents and protects from cancer, reduces risk of childhood obesity, boosts infant immune systems and reduces infant mortality.

Many Intercollegiate competitions were also organized viz Poster presentation, Article writing and Slogan writing. The participants and winners were awarded with certificates.

SHGC Campus a buzzed with Tejaswini Fair

On 6th August, 2022 Shouts & Happiness and Stalls to shop in & out, gave new colors and vibes to Sant Hirdaram Girls College Campus with one day Tejaswini Fair organized by E-Cell and Incubation Centre in collaboration with Department of Commerce.

The main objective behind this fair was to develop Entrepreneurship skills and self-dependency in the students. The fair started with the inaugurated ceremony by Dr. Dalima Parwani, Principal SHGC. There were around 36 stalls in which several girls showcased their talents. They marketed Plastic art, Handicrafts, Terracotta, Pottery, Paper crafts, Rakhi, Jewellery, Vermicompost along with Eatable items etc.

The fair comprised of four major activities which included Entertainment, Entrepreneurship, Shopping and Fun organized twice in a year. Tajaswini Fair is a place which provides different attractions besides large variety of creative ideas.

The Principal addressed the students on this occasion. In her address, she commenced with the sensitization upon the importance of Handy crafts and it provides employment.

Staff and students visited the fair and motivated the students by purchasing their creations. The sole purpose of the fair was to make the students self- reliant and centralize them for self-dependency by promoting the best stall among them. Aartika Malviya, Shreya Nag and Pragya Gupta from B.Sc. III Year got best stall award.

Field Visit

A field visit was organized for the students of BCA I/ III year and B.Sc (CS) I/ III year on 10-08-2022 to give practical exposure of working environment in IT companies. Overall, 32 students were accompanied by faculty member, Prof. Reeta Budhani and Prof. Geeta Guwalani, CS department, to Flairsoft Consulting Group (FCG), IT park, Bhopal.

Mr. Abhishek Kulshrestha, Business Operation Manager, FCG group, explained about how does an IT company operates and what are the skills an IT unit looks for in young, raw students and aspirant to join them.

The field visit had been benefited for students where they had to learn practical outlook on eco system weaved around corporates. These learning will take them long ahead in the corporate journey.

Seminar on Brighter Path Beyond Amrit Mahotsav of Nation Organized in SHGC

On 12th August 2022, Friday, a seminar on Brighter Path Beyond Amrit Mahotsav of Nation was organized in Sant Hirdaram Girls College, Bhopal. Chief Guest of the occasion was Dr. Sadashiv Keshav Kulkarni, writer and educationist, Pune. Col. Dr Madan Deshpande BSF, Consultant Seva Sadan Eye Hospital, Shri Hero Gyanchandani, Vice President SHKES, Shri A.C. Sadhwani, Secretary SHKES, Shri Vishnu Gehani, Educationist, Shri Thawar Varlani, Dr. Dalima Parwani, Principal SHGC, faculties of SHIM and SHGC, students of SHGC and Sadhu Vaswani School and other dignitaries of the management graced the occasion.

Shri A C Sadhwani, Secretary, SHKES welcomed the dignitaries and briefed about the society, its mission and its concerned institutions. He added that the youth of today should dedicate their lives for the nation.

Guest of Honour Col. Deshpande introduced hon'ble speaker Dr. S.K. Kulkarni. He threw light on the life journey of Dr. Kulkarni and said that dreams do come true when followed through with hard work and dedication and Dr. Kulkarni is a live example of this.

The Chief Guest Hon'ble Shri S.K. Kulkarni reminisced the days of India's Freedom Struggle and highlighted the inspiring stories of the unsung heroes and valiant known heroes of that generation. He further added that bringing forth stories of these people shall serve as a medium of inspiration and encouragement for today's youth and the generations to come. Their ethos and principles ought to be recalled and respected. He elucidated the efforts of many revolutionary fighters who sacrificed their lives to ensure India's Independence. He mentioned the stories of various leaders like Mahatma Gandhi, Subhash Chandra Bose, Lokmanya Tilak, Baba Ambedkar, Rani Laxmi Bai and many more. He emphasized on the foundation of Constitution, Universal Adult Suffrage, fundamental rights and duties and free education. He narrated numerous life stories to entice freedom spirit among youngsters. He very vividly explained the importance of India's Freedom Struggle, Upanishads and Vedas in life.

Independence Day Celebration

On 15th August 2022, Monday, Sant Hirdaram Girls College, Bhopal celebrated 75th Independence Day with great fervor, passion and enthusiasm and remembered the sacrifices of our great heroes who helped to gain independence. Our Chief Guest Col. N. Parwani escorted by NCC cadets hoisted the flag. Shri A C Sadhwani, Secretary SHKES, Shri Hero Gyanchandani, Director, SHGC, Dr. Dalima Parwani, Principal, SHGC, Dr. Ashish Thakur, Director, SHIM, Dr. Himanshu Sharma, Principal, SHMNYS, faculty members, students and other dignitaries graced the occasion.

Dr. Dalima Parwani, Principal congratulated everyone present on Azadi ka Amrit Mahotsav and said that we as citizens should build a resilient and thriving India.

Col N Parwani addressed on the occasion and said that throughout the country **Har Ghar Tiranga** is being organized to celebrate the day with utmost zeal, a spirit of patriotism and expressing gratitude towards our freedom fighters and their undying spirit. Rev. Siddh Bhauji always seek some attributes of soldiers in students which Col Parwani elucidated as physical fitness, integrity, honesty, loyalty, team spirit, patriotism, a fire inside to fight and struggle, hard work and perseverance, planning and giving one's 100%. He further added that students should feel responsible towards the country and perform their duties diligently for the growth and prosperity of our nation.

District Level Award Won by a student

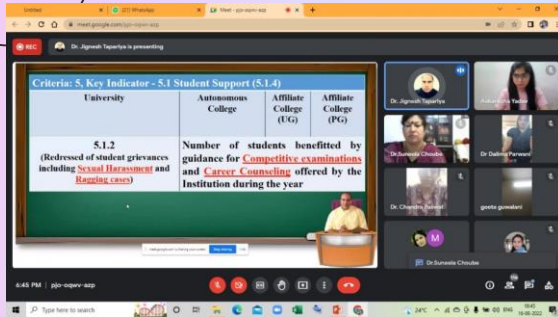

- A student Pragya Gupta of B.Sc. III Year (PCM) participated in District Level Essay Writing Competition organized by M.P. Hindi Granth Academy on the topic “Role of Mother Language (Indian Languages) in Education and National Education Policy 2020”. The competition was held at Govt. Hamidia Arts and Commerce College, Bhopal. She bagged third prize.

Women Empowerment through Competitive Exams Preparation at SHGC

- On 17th August 2022, Wednesday, Training & Placement Cell, in the journey for future, started the classes for competitive exams in the college campus with the aim to prepare the students for different private and government sector examinations that they would be appearing in future. It was a joint effort of Sabdhani Coaching Institute and Sant Hirdaram Girls College. Competitive examinations and possible career options were suggested to the students after identifying their strengths and special talents.
- Dr. Dalima Parwani, Principal SHGC, appreciated this project. She addressed the students and told that the training sessions are commonly organized in each college for career guidance but SHGC is different because its training program has a different syllabus which is the basic of all competitive examinations. She further stated that Government jobs should be a major hit among female candidates because they have fixed working hours and better working policies. Indian Government strides hard to ameliorate the status of women in every field by promoting maximum number of vacancies for women and girls should take advantage of this.
- Dr. Meenu Tahilyani, Coordinator T&P Cell, informed, under this six-month ambitious project, students would be provided with information about the eligibility and essentials of various competitive examinations and their syllabus to be held at different levels in science, art, and other fields. Thus, these students would be better equipped when it comes to prepare and appear in these competitive exams.

Successful FDP organized at SHGC on *Exploring Dynamics of National Education Policy 2020 with Reference to NAAC Perspectives*

A week-long Faculty Development Program on “Exploring Dynamics of National Education Policy 2020” for NAAC awareness was successfully concluded on 18th August 2022 in SHGC. It was a collaborative effort of Internal Quality Assurance Cell, SHGC and Research Foundation of India. The FDP was inaugurated on 10/08/22 by Honorable Dr. S.K. Pandey, former Vice Chancellor, Pt. Ravi Shankar University Raipur, and Prof. Rakesh Chand Ramola, Senior Professor of Physics & Former Campus Director, H. N. B. Garhwal University (Central University) India. In their opening remarks, they acknowledged the norms of National Assessment and Accreditation Council (NAAC) for education institutions and colleges.

Dr. Dalima Parwani, Principal, SHGC, along with Shri Hero Gyanchandani, Director, SHGC were also there in the programme to acquaint the professors for the same. Dr Parwani addressed the faculty members and acknowledged that, getting “**successfully accredited**” from a recognized body is quite imperative for any higher education institution. It determines the quality of education that the institution offers and helps the students to choose an institution that would accelerate their growth in terms of their career & personality development.

Dr. Gunjan Shukla, Convener, placed a brief note of the programme and informed the gathering about how the FDP was conceptualized. Dr. Sourabh Jain, Chairman RFI, Dr. Ashok Kumar Gupta, Chief Managing Director, RFI, Dr. Ajay Jain, National Coordinator RFI highlighted the importance of NAAC in higher education institutions. The Keynote speakers of the seven days FDP were Dr. Bharat Chede, Prof. & Director Wainganga College of Engineering and Management, Nagpur, Dr. Usha Arora, Prof. & Dean, Guru Jannheshwer University of Science & Technology, Hisar, Haryana, Dr. Vasudev Malhotra, J. C. Bose University of Science & Technology, Faridabad, Haryana, Dr. Murli Krishnan T.R., Shree Shankaracharya University of Sanskrit, Ernakulum, Kerala, Dr. Jignesh Tapadiya, Mahatma Gandhi Labour Institute, Meghnagar, Ahmadabad, Dr. Mahendra Singh Rathore, Geetanjali University, Udaipur and Dr. Rupesh Shukla, Shri Cloth Market Girls Commerce College, Indore respectively. They shared valuable thoughts in each session to make quality the defining element of higher education in India through a combination of self and external quality evaluation, promotion, and sustenance initiatives.

The session successfully covered the elements of quality parameters in higher education institutes in India along with the seven criteria of NAAC and its parameters. The program ended with great dissemination of knowledge and a warm vote of thanks by Dr. Suneela Choubhe, Coordinator IQAC, SHGC and Head, Department of Education, SHGC, Bhopal.

Three Days Personality Development Workshop

- Commerce Department had organized three days' workshop on Personality Development in joint association of IAHM which concluded on 23rd August, 2022, Tuesday. This workshop was exclusively designed for I year students which focused on enhancing their personality, creating a good and lasting impressions on others and improving their confidence levels. The Resource persons were Ms. Shalini Fauzdar, Director, IAHM and Ms. Neelam Hirwani, Centre Operations Manager, IAHM, Bhopal.
- Dr. Dalima Parwani, Principal, SHGC said that these types of workshops are regularly organized in the institution and students are largely benefitted by these. She further added that personality development is a way to hone oneself and become self-oriented towards their life.
- The subject expert, Ms. Shalini Fauzdar listed various reasons of personality development viz more employment opportunities, increases self-awareness, boosts confidence, become a great communicator, helps in achieving life goals and how to lead a stress-free life. She further emphasized on reading motivational books to enhance their personality. She urged the students to take out quality time for themselves. The three-day workshop was very successful as it provided theoretical as well as practical knowledge.

Read-a-Thon organized in Sant Hirdaram Girls College

On 24th August, 2022, Wednesday, Language Department and Central Library of SHGC jointly organized Read-a-Thon under the initiative of Azadi ka Amrit Mahotsav. The objective behind organizing this activity was to nurture a culture of reading and encourage the students to read more and more.

Dr. Dalima Parwani, Principal said that students should make reading their habit and they must read whatever they like including comics, non-fiction, poetry or fiction but they should understand that reading is a pleasure. She further added that students must devote more time in reading as it helps in building vocabulary, increasing creativity and form background knowledge.

A Read-a-Thon challenges students to read as many pages as they can during an allotted period of time. The students were given the book “How to win friends and influence people” by Dale Carnegie to read which was provided by Rev. Siddh Bhauji, President, SHKES to instill in them the qualities of reading books.

The winners of the activity were Ms. Pratiksha Shukla, B.Sc. I Year – I Prize, Ms. Kashish Soni, BCA II Year – II Prize, Ms. Muskan Vishwakarma, B.Sc. I Year – III Prize and Ms. Anjali Soni, BCA I Year – Consolation Prize.

E-Waste Awareness Programme

Computer Science Department had organized an E-Waste awareness programme on 24.08.2022 in the morning assembly which was planned by Computer Society. B.C.A. first year and second year student had played a Nukkad Natak on E-waste management theme for the awareness among other students and teachers during the morning assembly in which they highlight the topic of electronic waste or e-waste as one of the rapidly growing environmental problems of the world. In India, the electronic waste management assumes greater significance not only due to the generation of our own waste but also dumping of e-waste particularly computer waste from the developed countries. With extensively using computers and electronic equipment's and people dumping old electronic goods for new ones, the amount of E-Waste generated has been steadily increasing.

The initiative is to aim at reducing the accumulation of used and discarded electronic and electrical equipment's. Those metals can be given a second life, and that's why recycling and donating this to Pollution Control Board is such an ideal solution to this problem.

Closed Campus Placement

On 25th August, 2022, Thursday, Training and Placement Cell of Sant Hirdaram Girls College had organized a Closed Campus Placement Drive of Infinity Education, Miles Ahead in an offline mode. The objective behind organizing this drive was to help the students to get them placed in a job profile they want according to their qualifications and skills.

Dr. Dalima Parwani, Principal said that Campus Drive is the best way of attaining the job. She further added that hard work, sincerity and dedication is pre-requisite in order to expertise in this field.

The eligibility was UG and PG students of Final Year batch of 2022-2023 of all the streams. The position offered was Business Development Executive/Manager. A pre-placement talk was also organized by Infinity Education where Mr. Vishal Keswani, Co-Founder and Ms. Anushree Laud, Senior HR Executive, Infinity Education briefed the students about Recruitment Process. The basic requirement and criteria for the job was the ability to communicate effectively, ability of multi-tasking and staying organized. They also focused on the students who were smart and quickly responding. The job location would be Bhopal. Around 80 registrations were done. In the final round of interview 19 students were shortlisted and 3 were selected viz. Ms. Saloni Tharani –M.Sc. Final Year (F&N), Ms. Aleena Anjum of B.Sc. (CS) Final Year and Ms. Pooja Tehlani of BCA Final Year.

Academic Visit to Banasthali Vidhyapith

An academic visit to study the working style of one of the best Women University in India, Banasthali Vidhyapith, Rajasthan was planned on 24th August, 2022. The aim of the visit was to study in details the fivefold educational program- Panchmukhi Siksha comprising of physical, practical, aesthetic, moral and intellectual aspects evolved by the Vidhyapith where the major focus is on preparing women for enlightened leadership roles in all walks of life. The visit began from Modi University where the Pro. Vice Chancellor & the Registrar interacted and shared that documentation (Record maintenance) part plays a pivotal role while NAAC Peer Team Visit. For each and every activity, keeping records is of utmost importance. Having emotional attachment with the staff and among the staff helps in efficiency building and better retention.

At Banasthali University, the personal secretary of VC gave the highlights and shared that it was the experience and foresightedness of Shastriji, the Ex-VC, that Vidhyapith is known overall India and has earned its recognition throughout in all academic and co-academic areas with 20,000 enrolments from the Country and Abroad. The campus is fully residential spread over 850 acres of land and is exclusively for Women, with a blend of traditional and modern programmes including Shastri (Veda), M.A, MSc (biotech, bioinfo, elect, textile, computer, pharma etc.) MCA, M.Tech, LLM, MBA, M.Com, B.Tech, B.Des, B.Pharm, B.Sc Aviation, B.Arc, Integrated Law etc. A student admitted to the Banasthali Vidyapith has to compulsorily join a hostel. There are facilities to learn French and German as well.

Swimming, horse riding, flying, music, shooting etc. are the additional features under the fivefold model. It is compulsory to wear khadi for students and staff. It has tie up with overseas universities for student/faculty exchange and research. There is rigorous doctoral research programmes in various fields and strong emphasis on sponsored projects.

Session on Knowledge and Meditation

On 26th August, 2022, Friday, a session on Knowledge and Meditation was organized at SHGC in the pious presence of Rev. Siddh Bhauji.

In the welcome address Dr. Dalima Parwani, Principal said that the vision of Santji is being carried out by Rev. Siddh Bhauji who is incessantly serving the society in the field of education and health. She further added that 360° holistic approach is the need of the hour and the goal of our institution is to ensure mastery over all of one's faculties viz mental, physical, emotional, spiritual and social. She insisted on gaining knowledge which is immensely helpful in managing and growing our personal life.

Shri A.C. Sadhwani, Secretary, SHKES said that the vision of Sant Hirdaram Sahibji of seeding pious sansakaras in students is sowed in them right from primary classes. He urged the students to read books as books are the excellent source of inspiration.

In an interactive session, Rev. Siddh Bhauji inspired the students that education is the basic attribute in the life of a student which enhances personal lives and also helps them to develop confidence. He motivated the students to serve and help their mother in household chores as it is the mother who sacrifices her entire life to fulfill the dreams of her children. He further added that people are respected only when they are useful for others so be the one who gets respect. He stressed the students to make reading their habit, not only books but also newspapers daily as it enhances knowledge and improves language skills and vocabulary. He also said that students should keep themselves away from abusing and criticizing others and also obtain from listening criticism. He emphasized on having physically fit and flexible body.

He also motivated the students to sacrifice mobile phone and other social media apps to achieve success in life. Hard work is an essential element in executing the strategies made to attain success.

He also emphasized on positive thinking because it is the way to healing but destructive or negative thoughts should not come to the mind.

Awareness session on AIM For Institutions organised by AIC-RNTU Foundation, Bhopal”

An academic visit to AIC-RNTU Foundation, Bhopal, Prof. Madhu Singh, Head, Department of Computer Science and Prof. Aakanksha Yadav, Asst Prof, Department of Chemistry has attended the session. The session was inaugurated at 11:00 AM Sharp by the Chief Guest from NITI Ayog, followed by welcome address by CEO of AIC-RNTU i.e., Mr Ronald Farnandis. From 12:00 noon, Awareness Session was taken by Ms Garima Ujjainia, Consultant, NITI Ayog & Ms Vitasta T., Young Professional, AIM. They have briefed about how to an academic or non-academic institute build up the Innovation and Incubation Centre. Lastly, there was a round table discussion by Start-ups which are located in Bhopal locality, we had come across the unique and innovative ideas. The aim of this awareness session was to be maintain momentum of Incubation center.

We had a detailed meeting with Aakash Khurapa, Incubation Officer, AIC-RNTU on upcoming events organized between AIC-RNTU and SHGC. Dr Sangeeta Jauhri, Pro-Vice-Chancellor, RNTU, Bhopal, proposed formal MoU between the two Academic Bodies for the betterment of the student and teacher.

Intercollegiate Power Point Presentation Competition

On 27th August, 2022, Saturday, Nature Club in joint association with NSS and Department of Chemistry had organized Intercollegiate PowerPoint Presentation Competition on **Groundwater: Making Invisible Visible**. The Objective behind organizing the competition was to disseminate awareness and creating an opportunity to recognize the critical role of ground water, and urge to conserve it and also to protect it from pollution.

Dr. Dalima Parwani, Principal in her welcome address said that too much water is being wasted during rainy season which is a vital resource and it should be collected, harvested and protected from exploitation. She further added that students need to know about climate change, ground water infiltration, the challenges and opportunities associated with the development, management and governance of groundwater.

The Jury members were Mr. Shashank Dubey, Sr. Educational Officer, WWF, Dr. Parul Gurjar, Subject expert EPCO and Dr. Asna Mariyam Ex-student of SHGC and Research Associate at MANIT. Various colleges participated in the competition viz. IEHE, Mittal Institute of Education, Sri Sathya Sai College for Women, Pandit Deen Dayal Upadhyay Girls College and many more. The winners of the competition were Ms. Nidhi Singh, SHGC -I Prize, Mr, Vivek Rajput and Mr. Deepak Meena, Mittal Institute of Education -II Prize, Ms. Payal Sharma and Ms. Amarshi Bohre, IEHE -III Prize and Ms. Princi Pahlwani and Ms. Hiba Mariyam, SHGC -Consolation Prize.

National Sports Day

On 29th August 2022, Monday, the Sports Committee of SHGC had organized various sports events to celebrate National Sports Day. The day is celebrated to commemorate the birth anniversary of Hockey Legend, Major Dhyan Chand. The objective behind celebrating this day was to make the nation more educated towards the importance of being fit & healthy, also to celebrate the achievements and success of the sports personalities.

Dr. Dalima Parwani, Principal said that sports are important for the physical as well as mental well-being of students. She further added that this day mark the significance of sports and being physically active in the routine life. She urged the students to exercise daily.

Many indoor games were organized like tug of war, dodge ball, balloon pop race, snatch the handkerchief, tunnel race and many more. The students participated with full zeal and enthusiasm. Certificate of Participation were given to all the participants and awards were given to the winners.

Ganesha Making Workshop

On 30th August, 2022, Tuesday, Department of Chemistry in joint associate with Department of Education had organized Eco-friendly Ganesha Making Workshop for the students of SHGC. The objective behind organizing this workshop was to sensitize the students about saving the environment from non-biodegradable hazards and conserving the water resources. The trainer was Ms. Huma Ullah Khan, Art & Craft expert, Mithi Govindram Public School, Bhopal.

Dr. Dalima Parwani, Principal said that ecosystem is polluted due to Plaster of Paris and therefore students should make clay Ganesha, worship it and immerse it at your home and pour the water to Tulsi and other flowering plants.

The expert guided the students the entire process right from mixing the clay, giving finishing touches and painting. The students without having any artistic skills created professional looking Ganesha idols.

All the Students were benefited by the Eco-friendly Ganesha making workshop.

Educational Visit

On 30th August, 2022, Tuesday, the Department of Biotechnology had organized an industrial cum educational visit to Sanchi Sahakari Dugdh Sangh, Bhopal for the students of UG and PG of Biotechnology as part of their curriculum. The main objective of this visit was to enlighten the students about the industry academia correlation as well as career opportunities in the dairy industry.

Dr. Dalima Parwani, Principal said that these educational visits play a vital role in developing an understanding of food and dairy technology and the related quality control parameters.

The Sanchi Dugdh Sangh produces various dairy products such as milk, buttermilk, butter, ghee, curd etc. The Sangh not only produces milk products but also provides technical assistance for animal health and management and also training of business skills for students.

Prof. Shazia Khan, Head Department of Biotechnology and also the coordinator of the visit said that the students got an opportunity to know about the collection process, different processing units and final packaging of different products made at the Dugdh Sangh.

Total 45 students were benefited by the visit which were accompanied by Prof. Shazia Khan, Dr. Divya Patel and Dr. Manpreet Kaur.
