

SANT HIRDARAM GIRLS COLLEGE, BHOPAL

MONTHLY REPORT SEPTEMBER, 2023

INDUSTRIAL VISIT TO CRISP, BHOPAL

An industrial visit to CRISP bhopal, was organized by the department of computer science on 24th august 2023. The visit was attended by I, II & III year BCA students under the supervision of two faculties prof. Sonia sharma & prof. Kanchan chaturvedi.

The objective of the visit was to provide students with a practical understanding of the concepts they have learned in the classroom and to expose them to real world industrial processes, technologies, and practices. CRISP is a renowned institute for its expertise in industrial training. The visit began with a warm welcome by ms. Poonam, who provided an introduction & overview of the institute's history, mission, and accomplishments. Ms. Kaushiki upadhyaye was given the lecture about AI & ML, she was explained the career opportunities in both. She said - AI and ML are helping INL scientists pursue advances in engineering and energy research. The heart of the visit was an extensive tour of the training & manufacturing facilities. During the visit, our students had the opportunity to gain valuable insights into various departments at CRISP. They explored areas related to internet of things (IOT), godrej department, animation department, car mechanical engineering department, art & craft and fashion designing department.

The visit proved to be an enriching experience for our students as they acquired practical knowledge and exposure to real-world applications. The students had the opportunity to engage in interactive sessions with experts from different departments. The industrial visit to CRISP bhopal was an enriching experience for the students of BCA. It bridged the gap between theoretical & practical implementation, fostering a deeper understanding of the technical sector. Students were extremely happy & thankful to the college & department for the interesting visit.

EDUCATIONAL VISIT TO AMUL PLANT

Department of commerce, sant hirdaram girls college, bhopal had organized an educational visit to the iconic plant of amul india, govindpura, bhopal on 25th august 2023 with the objective of embarking on a journey into india's white revolution.

Amul, a dairy cooperative society founded in 1946 and managed by the gujarat cooperative milk marketing federation ltd. (GCMMF), played a pivotal role in india's white revolution, transforming the dairy industry.

Accompanied by shgc faculties prof. Gunjan sharma and prof. Janvi detani, the students of B. Com I year visited the amul plant to broaden their horizons and enhance learning experience,

Visiting the amul plant kindled a spark of curiosity among the students, as they were introduced to the cutting - edge techniques of aseptic processing and packaging of milk and milk products.

Prof. Akansha arora, head, department of commerce said that this hands - on exposure will prove immensely beneficial in shaping the students future.

SAANKETHIKA 5.0 FEST

Saankethika 5.0 fest was diligently organized with vibrancy and exuberance on 2nd september 2023, saturday. The fest commenced with the arrival of dignitaries, chief guest ms. Richa anirudh, anchor, RJ, producer, zindagi with richa, the members of the management shri. Hero gyanchandani, shri mahesh dayaramani, shri. K. L. Ramnani, shri ghanshyam bulchandani, shri gopal girdhani, shri. Ramesh hingorani, shri. Bhagwan babani, dr. Dalima parwani, principal, SHGC, faculty members of the institution, heads of different prestigious schools and students in huge numbers. The students welcomed the distinguished guests by presenting blossoming bouquets of flower to them.

Shri. Mahesh dayaramani extended best wishes to all the participants and said that this is a sant township which is a place of pilgrimage. He desired that everyone should be having happy and contented life. He extended his heartfelt gratitude towards all the benevolent activities carried out by jeev sewa sansthan, navyuvak parishad, sewa sadan eye hospital and towards brahmaleen sant hirdaram sahibji, shraddhey siddh bhauji and all the philanthropists.

Dr. Dalima parwani, the principal in her welcome address said that due to the guidance and unwavering motivation of shraddhey siddh bhauji that we have been instrumental in making this event a reality. She gave a brief introduction of ms. Richa anirudh and added that her expertise and keen insights will undoubtedly add immense value to the various events and competitions that we have lined up. She expressed her hopefulness that saankethika 5.0 would be able to provide a new hope and new direction in the lives of the students.

Ms. Richa anirudh, the chief guest, initiated her talk by guiding the students to aspire more and more to be successful in life. But success comes to those who follow the seven p's viz, positivity, passion and perseverance, progress, power, parents and plantation. She urged them to write diary daily just to pour out the emotions. She laid emphasis on possessing good mental and physical health. She further added that students must abstain from spending too much time on social media. She expressed her concern that the youth of today is forgetting the social skills, manners and etiquettes. Always have a feeling of gratitude towards god for whatever you have in your life. She further added that parents and teachers are the only well-wishers in your life and therefore remain respectful towards them. She asked the students to always remain positive. She said that always think and watch positive content so that you remain progressive in your attitude. She emphasized on having a hobby in life which makes them a more interesting person.

Saankethika 5.0 comprised of interschool competitions for various events such as colour me pretty, JAM, biztech, aagaaz, dance of chance and dazzling DIY with approximately 500 registrations from different reputed schools of bhopal. The winners of these events were felicitated with trophies, mementoes and certificates. The overall winner's trophy was conferred to sagar public school, gandhi nagar, bhopal.

Various stalls were setup to showcase handicrafts, nutrition related checkup desk, eatables etc. By the college students under the guidance of e-cell and IIC, SHGC.

VIRTUAL CAMPUS DRIVE

5th september, 2023. Training and placement cell of sant hirdaram girls college organized a virtual campus drive in joint collaboration with intellipaate software solutions on 24th august 2023 with the objective of providing job opportunities to the students.

The principal, dr. Dalima parwani, claimed that campus drive gives students the freedom to explore an infinite range of ascents while also giving them a sense of accomplishment once they are placed.

Intellipaate software solutions conducted three layered selection process, one being the group discussion followed by personal discussion and managerial round. The job profile offered was business development associate and the job location is bangalore. The qualification required was UG and PG students of all the streams from pass-out and current batches with an aggregate of 60% marks.

Many students appeared in the drive; some were shortlisted but only three could get the offer letter from the company. These students are ms. Shivangi jaiswal, ms. Yukta gujar, and ms. Naina guwalani.

SHGC HOSTS STUDENT KNOWLEDGE SHARING PROGRAM ON SOFT SKILLS TRAINING AND PLACEMENT SKILL SETS

Sant hirdaram girls college, in collaboration with ICAI business school, bhopal, organized a student knowledge sharing program on Friday, 8th September, 2023. The event focused on imparting essential soft skills training and skill sets required for successful placement, with the aim of boosting self-confidence, enhancing interpersonal skills, and nurturing leadership qualities among students.

The event witnessed the esteemed presence of several distinguished guests, including Prof. Girishchandran C. Pillai, faculty member and chair of IBSA centre for organization development, Mr. Amit Chakraborty, Chief Manager, Mr. Punit Sahu, Branch Manager, and Mr. Vinod Vishwakarma, Assistant Manager from ICAI Business School, Bhopal. Dr. Dalima Parwani, Principal of SHGC, Prof. Akansha Arora, Head of the Department of Commerce, faculty members, and a large gathering of enthusiastic students.

Dr. Dalima Parwani, the Principal of Sant Hirdaram Girls College, emphasized the significance of soft skills training in improving students' communication skills, fostering a positive and professional attitude, and shaping their career trajectories.

The program commenced with the IBSAT National Mock Aptitude Test, tailored for management aspirants. Subsequently, Prof. Girish Chandran delivered an insightful lecture, underscoring the pivotal role of a well-crafted resume in bridging the gap between candidates and recruiters. He offered invaluable tips for effective resume building and went on to elaborate on various interview skills essential for showcasing both hard and soft skills. Prof. Chandran highlighted six fundamental interview skills that every job seeker should possess to excel in their next job interview:

1. **Clarify questions with confidence:** demonstrating the ability to seek clarification on questions confidently.
2. **Speak clearly and loudly:** ensuring clear and audible communication during interviews.
3. **Nonverbal communication:** mastering the art of nonverbal communication to convey confidence and professionalism.
4. **In-depth knowledge of resume:** thoroughly understanding and articulating the content of one's resume.
5. **Craft a compelling narrative:** skillfully narrating one's professional journey to engage interviewers.
6. **Leverage knowledge:** demonstrating the application of knowledge and expertise relevant to the job.

The event saw the participation and active engagement of over 150 students, all of whom benefited from the enriching insights provided.

NATIONAL NUTRITION WEEK CELEBRATED

National nutrition week witnessed various activities organized by the food and nutrition department. This year's theme was "healthy food: empowering all." On september 1, the week began with street plays, dance performances, and ad-making. On september 2, nutritional counseling for school students was conducted, along with free hemoglobin tests provided by national health care bhopal.

On september 3, students donated edible supplies to those in need in their vicinity and shared photos on social media to spread a positive message. September 4 saw students visiting VLCC centers to understand their practices in detail. On september 5, the theme for card making, handicrafts, and jewelry making competitions was "eat healthy, stay healthy." September 6 featured a millet recipe competition.

The outstanding performers in these events were memoona khan and her team (zenab, sumera, pratiksha, khushi, priya and kanak) in street plays, soumya saxena in card making, zenab khan in handicrafts, himanshi bhagchandani in jewelry making, and aiman fatima in the millet recipe competition.

Principal dr. Dalima parwani praised the students' enthusiasm, innovation, and hard work, emphasizing the importance of participating in competitions in students' lives. She stated that involvement in competitions goes beyond winning and teaches students teamwork, cooperation, and problem-solving. She also stressed the need for all sections of society to understand nutrition, not just through classroom learning but also through such events. These initiatives help make the subject engaging and accessible.

FACULTY DEVELOPMENT PROGRAM ON UNIVERSAL HUMAN VALUES

Faculty development program on universal human values (uhv-introductory) was organized by sant hirdaram institute of management (SHIM) from 8th to 10 september, 2023.

Objectives:

To prepare faculty members on the contents of uhv with the guidelines of value education, content clarity and the process of self-exploration.

To encourage the faculty members to participate in developing holistic value-based living model at institute level and inspire faculty members for volunteering in uhv activities.

Day 1: all the faculties attending the fdp were asked to prepare a list of the needs and desires that we hold within ourselves. We were asked to segregate the needs and desires under the head right understanding, relationship and physical facility. We should have right understanding within ourselves for human consciousness, relationship with human beings for mutual happiness, physical facility with rest of nature with mutual prosperity. We were even asked to ponder upon the fact that how much time do we put in all the segments as discussed above. The speaker also made us aware of the true meaning of happiness and unhappiness. Happiness = harmony & unhappiness= disharmony. We were also asked to find out the answers of the following questions:

Is it important for human being to understand?

What does human being need to understand?

Can every human being understand?

What is the process of understanding?

The day 1 ended with the conclusion that human society consists of right understanding and right feeling in every individual, prosperity in every family, fearlessness in the society and co-existence in nature. Inhumane society is based on the assumption that money is everything, dominated by terrorism and war and exploitation of environment by resource depletion and pollution.

Day 1 ended with a positive learning and a change in outlook.

FACULTY DEVELOPMENT PROGRAM ON UNIVERSAL HUMAN VALUES

DAY 2: we were given a brief review of content discussed on day -1 with the view of understanding of the topics of the previous day. As we were taught about the state of being happy= harmony. The next question which was asked was all about the continuity of being happy at all the levels of being i.e., Harmony in the human being, harmony in the family, harmony in the society, harmony in the nature which we can analyze through a method of self-exploration. The speaker stated the difference between the self and body on the basis of need, time, quantity, fulfillment, activity and response. The speaker also taught us about knowing, assuming, recognizing and fulfilling which is on complete basis. We were asked to find out the answers of the following questions:

Are we keeping ourselves happy?

Is happiness a continuous process?

Are we involved in the process of self-exploration?

Do we know about knowing, assuming, recognizing and fulfilling?

Day 2 ended with the conclusion of finding out ways for being happy, involving ourselves in the process of self-exploration, keeping our desires, thoughts and expectations towards our sources of motivation.

Day 3: we were given a brief review of content discussed on day -2 with the view of understanding of the topics of the previous day. We were asked to find out “how much physical facility is required in our family; how much physical facility is available?” We should have right understanding of harmony in the family- trust, respect, affection, care, guidance, reverence, glory, gratitude, love. We should have right understanding within ourselves for right understanding -understanding harmony at all levels of being (human being, family, society, nature/existence). We should have right understanding of program for harmony in the body- 1. Intake and daily routine (lifestyle), 2. Labour and exercise, 3. Postures for regulating internal & external body organs and regulated breathing, 4. Medicine and treatment. We were also asked to find out the answers of the following questions:

To understand human being as self and body.

To understand knowing, assuming and recognizing and accepting.

To understand source of motivations for our desires - its implications.

To understand source harmony of the self with the body.

The day 3 followed question/ answers session and feedback session. The day 3 ended with the conclusion continuous happiness is possible only if: we can understand harmony and live in harmony and there is a provision in nature/existence for understanding harmony and living in harmony.

Resource persons: following were the resource persons of the fdp.

1. Mr. Mohit srivastava, firoz gandhi institute of eng. & Tech., Raibareli (UP)
2. Dr. Raghvendra dubey, institute of pharmaceutical sciences, SAGE university, indore
2. Mr. Alok K. Soni, institute of pharmaceutical sciences, SAGE university, indore

Eleven faculty members from shgc attended the fdp. This FDP was very useful for us for understanding human values & developing good relationship in family and our society.

SHGC CELEBRATES CREATIVE EXCELLENCE IN BOOK COVER DESIGN AND LITERARY EXPRESSION

On the vibrant Monday of September 11th 2023, Sant Hirdaram Girls College showcased the exceptional talents of its students through two exhilarating competitions. Collaborating efforts between the central library, literary committee and language department underscored the profound importance of literature and design in the realm of books.

The first competition, an essay writing competition, revolved around the captivating theme, "the significance of book cover design in shaping a book's success." Students from diverse disciplines demonstrated their skill in crafting persuasive arguments and articulating their insights. The competition culminated in the following results: first position was bagged by Ms. Poonam Vishwakarma, second position by Ms. Pooja Motiyani and third position by Ms. Arshi Khan.

Simultaneously, the second competition, the book cover design competition, challenged participants to visually encapsulate the essence of SHGC's college magazine cover. The results were a testament to the creative process of SHGC's students: first prize was awarded to Ms. Nikita Nagar, second Ms. Niharika Vishwakarma, third Ms. Suhani Maran, and consolation was given to Ms. Soumya Saxena.

Dr. Dalima Parwani, the esteemed principal of SHGC, graced the occasion with her presence and delivered an insightful speech. She underscored the profound impact of a book's cover on potential readers, highlighting its role as the crucial first impression. She emphasized the importance of book cover design in effectively conveying the values and essence of the content within, asserting its power to capture the attention of discerning readers.

Dr. Neha Gupta, head of the department of language, expressed that such competitions not only showcase the exceptional talent nurtured at SHGC but also underscore the college's commitment to fostering a holistic educational environment that nurtures creativity and excellence in both literature and design.

TEACHER'S FELICITATION CEREMONY

On 12th september, 2023, tuesday, teacher's felicitation ceremony was organized at sant hirdaram girls college, bhopal under the blessings of shradhey siddh bhauji in the presence of esteemed members of shaheed hemu kalani educational society, shri hero gyanchandani, shri A. C. Sadhwani, shri ghanshyam bulchandani, shri thawar varlani, shri manohar vaswani, shri K. L. Ramnani, shri bhagwan damani, heads of the institutions; dr. Dalima parwani, dr. Ashish thakur, dr. Hemanshu sharma, the faculty members and students in great numbers.

Dr. Dalima parwani, the principal in her welcome address advised the students to follow the theory of pragmatism, which emphasis practicality and real-world application in decision making and problem-solving. She discussed the changing landscape of education and spoke about the relationships between teachers and students, emphasizing curiosity and creativity in students. She further added that creativity is a powerful tool that can lead to innovation and new ideas. She inspired them to be just an artist who creates beauty on a canvas, you can shape your life into something meaningful and fulfilling and fill it with colours. She urged the students to have a thirst to understand the world around with eagerness to handle situations.

Dr. Ashish thakur expressed that his teachers are the source of his strength and his students' energy. He emphasized that a teacher is not just a word but a way of life. He encouraged everyone to focus on the journey rather than the destination, seeing teaching as a responsibility.

Dr. Hemanshu sharma remarked that a teacher is the torchbearer of knowledge, and becoming a teacher is the first step towards enlightenment. He encouraged everyone to take joy in being a teacher. In this age of the internet and youtube, the importance of teachers remains paramount. He concluded by stating that the gift of education is the highest gift, and teachers are the priests of the temple of education."

Shri k.L. Ramnani said that in this journey of life, one should strive to cultivate the qualities bestowed by the divine. Make choices in life that aid in your personal development. Become inquisitive, acquire knowledge, and have faith in yourself. He effectively emphasized the integration of heart and mind, emotion and reasoning, spirituality, and artificial intelligence.

Shri a.C. Sadhwani discussed various activities conducted by organizations like jeev seva sansthan, bhagwan kala kendra, arogya kendra, seva sadan eye hospital, neetu mehtani memorial library, and swami vivekananda career academy. These institutions are making significant contributions to human welfare, health, education, women's empowerment, and skill development. He stated that the primary objective of educational institutions is to instill values along with quality education in students. Teachers play a crucial role in life. He spoke about the importance of discipline and time management, emphasizing the necessity of online learning in the digital age. He stated that the students are the blessed and fortunate souls to have the blessings of sant shiromani hirdaram sahibji and shradhey siddh bhauji.

Speech and cultural program was organized by the students to show their respect and appreciation for teachers. On the occasion the management distributed gifts and bouquet as token of love and respect towards teachers.

INDUSTRIAL VISIT TO LM BAKERS (PARLE-G)

On 13th september 2023, wednesday, the department of commerce organized an industrial visit to LM bakers (parle-g) at mandideep. L M bakers private limited (LMBPL) is a leading private limited indian non-government company incorporated in india on 27 june 2008 and has a history of 15 years and one month.

The objective of the visit was to provide students with practical insights into the manufacturing processes, quality control, and technology used in the production of parle-g biscuits. A total of 50 students from BBA I year embarked on a visit to LM BAKERS, accompanied by the esteemed faculties, professor diyanshi matani and professor chitra wadhvani.

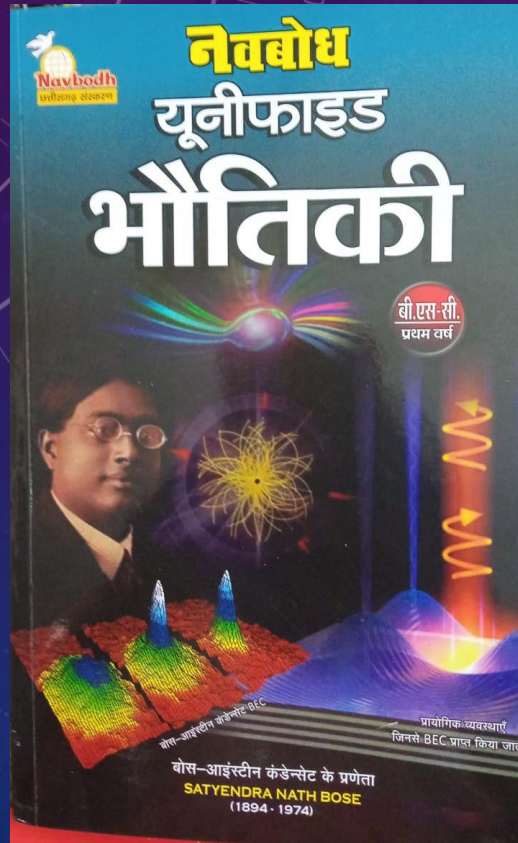

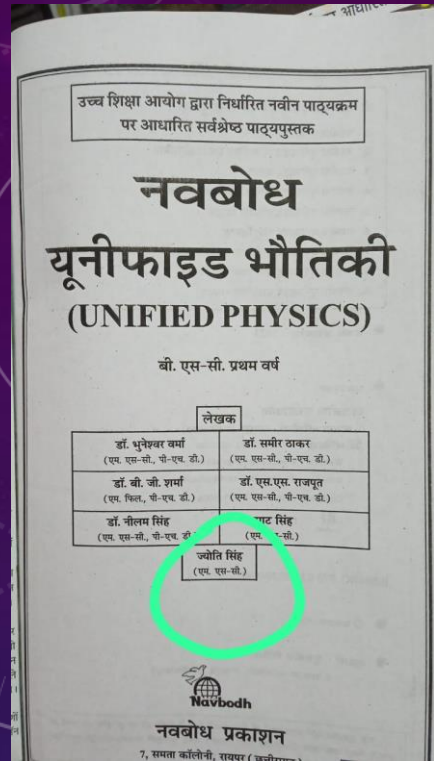

Akhilesh khobragade, industrial coordinator explained the production process of wafers, candies, and biscuits. A short film was played for the students portraying the success story of parle-g. The students actually witnessed the production process of parle-g biscuits.

The students described their experiences as enlightening and informative. The students got exposure to real-world industrial practices. They learned about various stages of biscuit production, from raw material sourcing to packaging, and gained knowledge about automation and efficiency in manufacturing.

Professor akansha arora, the head of the commerce department, underscored the substantial advantages this hands-on experience would provide in molding the students' future.

On 14th september 2023, thursday, a book was authored by prof. Jyoti singh, head, department of physics, sant hirdaram girls college, bhopal entitled navbodh unified physics which is a part of curriculum for the chhattisgarh students who are studying B.Sc. I year. Prof. Jyoti singh HOD, physics is the author of unit-v “special theory of relativity”. The students studying this unit will find the text helpful. The book is published by navbodh prakashan, chhattisgarh.

STUDENTS BAGGED PRIZES IN POSTER COMPETITION

On 14th september 2023, sri sathya sai college of women recently held a poster competition in celebration of hindi diwas. The theme focused on the role of children's literature in shaping child psychology. Five students took part in the competition, and the results are as follows: ms. Divya prajapati (BCA III year) and ms. Hawra hasan (BBA I year) secured the second prize, ms. Soumya saxena (BBA I year) earned the third prize, and ms. Tripti thakur (BBA I year) received a consolation prize.

HINDI DIWAS CELEBRATED

Sant Hirdaram Girls College marked the celebration of hindi diwas on thursday, september 14th, 2023, through the department of language, recognizing hindi as the national language of india.

Principal Dr. Dalima Parwani, in her speech, highlighted the profound impact of hindi, stating that words spoken in hindi resonate deeply within our hearts and leave a lasting impression on our subconscious minds.

Dr. Archana Gupta, Assistant Professor of hindi, addressed the occasion with a message emphasizing, “hindi hamari shaan hai, desh ki pehchan hai” (hindi is our pride, the identity of our nation). She encouraged everyone to take pride in our national language and speak hindi in the public domain without hesitation.

The event featured a skit performed by first year students, focusing on the theme “hindi hamari shaan hai, desh ka abhiman hai” (hindi is our pride, the pride of our nation). Following the skit, ms. Shreshee jain presented a poem highlighting the significance of hindi, captivating and enchanting the audience.

ART AND CRAFT WORKSHOP ORGANIZED

On 15th September, In A Concerted Effort To Foster Creativity And Artistic Skills Among Students, The Entrepreneurship Cell And Institution Innovation Council Jointly Organized An Engaging Art And Craft Workshop At Sant Hirdaram Girls College, Bhopal. The Workshop Featured The Expertise Of Mr. Vijay Rai, A Distinguished Paper Craft Artist Hailing From Rajasthan.

Dr. Dalima Parwani, The Esteemed Principal Of The Institution, Emphasized The Significance Of Paper Craft As A Means To Nurture Imagination And Critical Thinking Among Students. She Highlighted The Hands-on Nature Of This Workshop, Emphasizing That It Would Undoubtedly Stimulate The Discovery Of Unique Ideas And Innovative Approaches.

Mr. Vijay Rai, The Workshop's Resource Person, Conducted A Captivating Demonstration On The Art Of Paper Folding And Cutting, Showcasing Its Potential For Eco-friendly Decoration. He Fervently Advocated For The Use Of Paper As A Sustainable Alternative To Imported Materials From China. Mr. Rai Encouraged Students To Explore The World Of Paper Craft, Emphasizing Its Cost-effectiveness And The Possibility Of Donating Their Creations To Those In Need.

INTRA COLLEGIATE YOUTH FESTIVAL

On Saturday, 16th September 2023, Sant Hirdaram Girls College Organized The Barkatullah University Youth Festival At Intra Collegiate Level. Manju Nichani, Retired Principal From Mumbai, And Shri Mahesh Dayaramani, Secretary Of JSS. The Presence Of Eminent Members Of SHKES, Institutional Heads, Faculty Members, And A Plethora Of Students Enriched The Gathering.

Shri Kan Lakhani Shared Insights On The Synergistic Objectives Of Jss And Sadhu Vaswani Mission, Emphasizing Their Commitment To Societal Upliftment. "The Noble Pursuit Of Bringing Joy To Others Can Have A Transformative Impact On The World," Remarked Lakhani.

Highlighting Jss's Multifaceted Contributions, Shri Mahesh Dayaramani, In His Welcoming Address, Touched Upon The Organization's Commendable Work In Education, Women's Empowerment, Self-sustainability, Skill Enhancement, And Healthcare Advancements.

The Audience Was Particularly Enthralled By Rev. Didi Krishna Kumari's Thought-provoking Address. She Underscored The Pivotal Role Of Holistic Education In Molding Not Just The Mind But Also The Heart. Drawing Attention To The Importance Of Character Development, She Spotlighted The Virtues Of Simplicity, Service, Purity, And Prayer As Keystones To Success. With Profound Wisdom, She Delineated The Power Habits Wield Over Destiny, Inspiring The Audience To Cultivate Mindfulness, Determination, And Focus. The Climax Of Her Discourse Reverberated With The Pivotal Message Of Honesty. "True Prosperity Is Reserved For Those Who Stand By The Truth. Remember, The Divine Is Always Observant; Let Our Actions Resonate With Integrity," She Passionately Conveyed.

The Event Culminated In A Sense Of Heightened Spiritual Awareness And Motivation Among Attendees, Reaffirming The Importance Of Such Discourses In Today's Fast-paced World.

GUARDIAN TUTOR MEET AT SHGC SOARS TO NEW HEIGHTS WITH AIR SHOW SPECTACLE

Bhopal, September 30, 2023 — Sant Hirdaram Girls College Achieved New Milestones In Fostering Student Engagement And Holistic Development During The Guardian Tutor Meet On Saturday, September 30, 2023. The Meet, Designed To Address Student Concerns And Aspirations, Proved To Be A Resounding Success. Positive Feedback Poured In, Highlighting The Effectiveness Of The Collaborative Approach Adopted By The College. The Synergy Between Students, Faculty Members, And Guardians Underscored The Institution's Commitment To Nurturing Well-rounded Individuals.

A Notable Deviation From Previous Editions Was The Incorporation Of An Extraordinary Experience — An Air Show, Organized In The Vibrant City Of Bhopal. This Unique Addition Elevated The Event To Unprecedented Heights. Students Were Not Just Engaged In Discussions And Activities Within The Confines Of The College Walls; They Were Also Taken On An Awe-inspiring Journey Upstairs To Witness The Mesmerizing Air Show. The Excitement And Awe On The Faces Of The Students Mirrored The Success Of This Innovative Inclusion.

CERTIFICATE COURSE CUM TRAINING ON MUSHROOM CULTIVATION ORGANIZED

Certificate Course Cum Training Program On "Mushroom Cultivation" Was Organized By Department Of Biotechnology, Sant Hirdaram Girls College, In Association With Blossom Pharma Biotech Institute & Research Centre, Bhopal And In Collaboration With E-cell & IIC From 21.09.2023 To 30.09.2023.
