## *Enhancing Practical Learning: BBA Students' Visit to Retail Management Lab at Demonstration Multipurpose School*

On 6<sup>th</sup> November 2024, the Department of Commerce of Sant Hirdaram Girls College organized a visit for 40 students of BBA to Retail management lab at Demonstration Multipurpose School, Bhopal. The visit focused on an immersive learning experience aimed at bridging the gap between academic concepts and real-world retail operations.

The visit aims to provide its students with practical exposure in business management, especially in the rapidly evolving retail industry. During the visit, the students toured the state-of-the-art Retail Management Lab, which offers a simulated retail environment where students apply key business concepts such as inventory management, customer service, sales strategies, and merchandising.

Principal, Dr. Dalima Parwani stated that we are excited to offer our students this unique opportunity to engage with a real-world retail environment. Such visits shall serve as an ideal platform for our students to understand the complexities of the retail industry and gain hands-on experience that will prepare them for their future careers.

The students were guided through the various sections of the lab, including the mock store setup, visual merchandising stations, and inventory management systems. They had the chance to interact with faculty and students involved in the lab's day-to-day operations, gaining insights into the skills needed to succeed in the competitive retail sector.

The visit was a great success, with Sant Hirdaram Girls College students expressing enthusiasm for the hands-on learning they experienced. This collaboration reflects a shared commitment to educational excellence and workforce readiness, helping students build confidence and industry-specific skills as they move toward their careers.

## T&P Cell Organizes student knowledge sharing Workshop on "Leveraging AI in Writing Project Reports"

November 26, 2024, a one-day workshop under the Student Knowledge Sharing Workshop series was organized by the Training and Placement Cell of Sant Hirdaram Girls College in collaboration with Jaipuria Institute of Management, Indore. The workshop focused on the topic "Use of Artificial Intelligence in Project Report Writing."

The primary objective of the workshop was to familiarize students with modern methods of preparing project reports and to highlight the importance of AI in this process. On this occasion, Dr. Dalima Parwani, Principal of the College, mentioned that the purpose of this workshop was to prepare students according to the modern demands of the industry. She emphasized that such programs, held regularly for the skill development and knowledge enhancement of students, would be instrumental in shaping their bright futures.

Dr. Pooja Singh Kushwaha, Associate Professor in Business Analytics at Jaipuria Institute of Management, and Dr. Megha, Assistant Professor at Jaipuria Institute of Management, Indore, were the keynote speakers for the event.

During the workshop, the expert speakers explained how AI techniques can be used to prepare project reports. They provided detailed insights into the use of AI-based tools and techniques to make the writing process simpler, more accurate, and effective. They emphasized the importance of fully understanding AI and tools like ChatGPT. Special focus was given to obtaining subject matter through methods such as task, contest, explore, persona, format, and voice. The speakers shared that organizing the subject matter systematically leads to better results. Concluding their session, they urged the students to use AI positively and also work on enhancing their personalities.

In addition to this, Dr. Megha conducted a unique activity on "Sustainable Paper Dress Designing," where she taught students the principles of team building, branding, and team synchronization. This creative activity helped students understand how collaboration, innovation, and effective communication contribute to building strong teams and establishing a brand identity, all while promoting sustainability. Students were encouraged to work together, think critically, and apply the skills they learned to real-world situations.

The National Service Scheme (NSS) Unit of Sant Hirdaram Girls College organized a special awareness program under the "Hum Honge Kamyab" pakhwada on 30th Nov, 2024. The event was conducted in collaboration with the Women and Child Development Department, aimed to raise awareness and prevent gender-based violence among students.

The program witnessed the presence of distinguished guests, Joint Secretary, Women and Child Development, Mrs. Naqui Jahan Qureshi including Mr. Sunil Solanki, District Program Officer, Women and Child Development Department; Mr. Mridul Malviya, Project Officer; Mrs. Prarthana Mishra, Subject Expert; Ms. Priyvanda, Sub-Inspector, Sant Hirdaram Nagar Police Station; current counsellor Mr. Rajesh Hingorani; senior counselor Mrs. Ritu Patwa; local complaint committee member Mrs. Bhavana Tripathi; and former counsellor Mrs. Sandhya Pradhan, along with a large gathering of students and faculty members.

Dr. Dalima Parwani, Principal of the college, emphasized the increasing cases of gender-based violence and highlighted the role of education and awareness in addressing the issue, which formed the basis for organizing this event.

On this occasion, under the esteemed presence of Joint Director of Women and Child Development Department, Mrs. Naqee Jahan Qureshi, Mr. Sunil Solanki elaborated on the global perspective of gender-based violence. He emphasized that neglecting half of the world's population is unacceptable and stressed the need to change the prevailing double standards in society. He urged students to set their boundaries firmly to ensure their autonomy. He also introduced the 1098 helpline for assistance under the Juvenile Justice Act. The Counsellor, Mr. Rajesh Hingorani, highlighted education as a powerful tool for curbing crimes and encouraged students to work diligently toward building a bright future.

The first speaker, Mrs. Prarthana Mishra, shed light on the legal, social, and psychological aspects of violence against women and children. The second speaker, Mrs. Bhavana Tripathi, discussed the POSH Act, financial independence, social pressures, hostile work environments, local complaint committees, and other related topics. She also elaborated on effective measures for gender equality and women's safety. Short films illustrating the impacts of gender-based violence and strategies to combat it were also presented.

During the interactive Q&A session, students actively posed questions and engaged in discussions with the experts. The third speaker, Mrs. Ritu Patwa, stressed the need for collective efforts to empower women and protect their rights. Sub-Inspector Ms. Priyvanda encouraged students to become self-reliant and discussed cybercrimes, blackmailing, and the positive use of technology.

The program concluded with a vote of thanks by NSS Program Officers, Prof. Vibha Khare and Dr. Meena Barse. They expressed gratitude to all participants and reiterated the college's commitment to bringing about positive societal changes and promoting respect and equality for women through the "Hum Honge Kamyab" Pakhwada.
